

## **ESTIMATOR**

Van Bree Enterprises has been at the forefront of shaping the face of communities and farms in Southwestern Ontario for over 55 years. Through our companies Van Bree Infrastructure, V.B. Sand & Gravel Ltd. and Choice, we continue to provide quality products and services to the region.

We have a key opportunity for an **Estimator** to join our team in London and Warwick Township.

We are looking for a team player with solid communication skills (both verbal and written). A driven individual with a passion for the contractor environment! If you are experienced in civil engineering or construction management, have excellent organizational and analytical skills, and are committed to building strong business relationships with clients and sub-contractors, we have an opportunity for you!

Benefits include:

\$90,000 + annual salary  
Group benefit plan  
Wellness program  
RRSP program with employer match  
Education reimbursement  
Opportunities for advancement  
Excellent vacation package  
Potential for performance bonus  
Company truck and cell phone

### ***Key Responsibilities include:***

- Prepare construction estimates based on quotations, drawings, and specifications.
- Complete takeoff and bid compilation using B2W Estimate.
- Assist in preparation of pre-construction and construction services proposals.

- Examine and analyze tenders and make recommendations.
- Follow the company cost monitoring and reporting systems and procedures.
- Liaise, consult, and communicate with consultants, contractors, and subcontractors.
- Research and analyze cost data for review and presentation.
- Assisting with Project Schedules.
- Adhere to all company policies and procedures while following OHSA and construction regulations.

***Required Qualifications, Knowledge and Experience include:***

- Civil Engineering or Construction Management diploma is an asset.
- 3+ years experience in the construction industry, or similar industry is a must.
- Proven experience in estimating within the civil construction industry.
- Computer skills and software experience including Microsoft Office Applications.
- Experience with Bid2Win, Heavy Bid, is an asset.
- Experience with ERP programs such as Maestro is an asset.
- Excellent organizational skills and ability to meet deadlines.
- Excellent analytical skills and attention to details.
- Knowledge of MTO book 7 Traffic Control Requirements.
- Experience with hazard assessments and controls in the construction industry.
- Excellent communication and relationship-building skills.

If this sounds like a good match, and you are looking to join a fast-growing company with an experienced Team – let's connect today!
